

# Public Meeting

# Stormwater Management Master Plan

The Town of Ajax has initiated the development of a Stormwater Management Master Plan (SWM-MP). The purpose of this project is to:

- Help understand the performance of the Town's stormwater network
- Identify areas that need more work to improve stormwater management
- Identify and rank projects over the short-term and long-term
- Recommend updates to the Town's stormwater management policies and guidelines

To provide feedback on the Stormwater Management Master Plan a public meeting is being held on **Wednesday, October 16, 2024 from 6 – 8 p.m. at the Carruthers Marsh Pavilion** (55 Ashbury Boulevard West, Ajax, Ontario L1Z 0E1).

## What to expect

- Review the current environmental, stormwater, and municipal infrastructure assets within the Town's boundary
- Share your knowledge and experience
- Identify any stormwater issues within your neighbourhood
- Drop in format
- Staff and consultants to be available to receive your feedback and answer questions
